

PRODUCT DISCONTINUATION NOTIFICATION

August 10, 2023 C3360B

Dear Valued Customer,

This letter serves as a formal notification that Functional Devices, Inc. is discontinuing the production of the following products. Functional Devices, Inc. acknowledges the obligation to promptly inform our valued customers of product discontinuation and the availability of alternative products. Our intent is to support these products for a limited time while quantities last in order to allow for future planning by all of our customers; therefore, we will offer last time buy opportunities to support your needs.

Last Time Buy Conditions:

- All purchase orders are non-cancelable and non-returnable.
- Any remaining units in stock after August 1, 2023 will be sold on a first come, first serve basis until quantities are depleted.

Functional Devices, Inc. appreciates and values our business relationship and looks forward to your continued interest in our products. While we regret any inconvenience this announcement may cause, we are eager to supply your future product requirements with our world-class quality product lines. We have provided a cross reference of alternative models for your reference.

To best serve you, all inquiries and requests should be directed through the normal sales channels or you can contact the Functional Devices, Inc. Sales Department at Sales@FunctionalDevices.com.

Functional Devices, Inc.
